Limited Warranty

Doyon products are warranted to the original purchaser to be free from defects in material and workmanship for a period of two years from the date of original installation, not to exceed 30 months from the product manufactured date. This warranty does not apply to equipment damaged, abused, or altered accidentally or intentionally or modified by unqualified service personnel or with missing or altered serial nameplates. To be warranted, the equipment from the original buyer must have been purchased through a reseller from the same country.

This warranty does not cover any light bulbs, thermostat calibration or defects due to or resulting from handling, abuse, misuse, nor shall it extend to any unit from which the serial number has been removed or altered, or modifications made by unauthorized service personnel or damage by flood, fire, or other acts of God. Nor will this warranty apply as regards to the immersion element damaged by hard water.

The extent of the manufacturer's obligation under this warranty shall be limited to the replacement or repair of defective parts within the warranty period. The decision of the acceptance of the warranty will be made by NU-VU® service department, which decision will be final.

The purchaser is responsible for having the equipment properly installed, operated under normal conditions with proper supervision and to perform periodic preventive maintenance.

If any parts are proven defective during the period of one year from date of purchase, Doyon® hereby guarantees to replace, without charge, F.O.B. Menominee, Michigan, USA, such part or parts.

Doyon® does hereby exclude and shall not be liable to purchaser for any consequential or incidental damages including, but not limited to, damages to property, damages for loss of use, loss of time, loss of profits or income, resulting from any breach of warranty.

In no case, shall this warranty apply outside Canada and continental United States unless the purchaser has a written agreement from Doyon®.
