CAPITAL PROJECTS

## Increased Revenue

A well-furnished outdoor kitchen becomes a popular gathering spot for members, driving higher per-visit spending and boosting food and beverage sales.

## Enhanced Capacity

Perfect for member events, family programming, offsite events, and more. Additionally, our outdoor kitchens can also transform underutilized spaces into private event venues, boosting revenue during both peak and shoulder seasons.

## Enhanced Member Satisfaction

Members value outdoor dining options as a way to enjoy the weather while relaxing, leading to increased engagement and more frequent visits.

## Industry Compliance

Crown Verity products meet all public health requirements and certifications, including CSA, UL, and NSF.

## The ultimate cooking solutions

Transform your kitchen with a wide range of cooking solutions that grow with your business needs.

### 36" Mobile Pizza Oven

Perfect for the caterer or restaurant chef who wants mobility combined with power and capacity. This 36" Mobile Pizza Oven provides additional cooking space, providing the perfect combination of efficiency and mobility.

### 48" Mobile Griddle

This Mobile Griddle is designed to cook high volumes of product in a short period of time and is built to convert with ease into a Charbroiler for dual function use.

PAID FOR IN  
**10**  
WEEKS\*

\*Based on the following case study: 14" pepperoni & cheese pizza selling price = \$16.00. Cost = \$4.50. Gross margin = \$11.50. With projected sales of 70 pizzas/week (10/day), the payback on the pizza oven was 10 weeks.
